

PaMAGIC Student Membership

What is PaMAGIC

The Pennsylvania Mapping and Geographic Information Consortium, or **PAMAGIC** is a not for profit organization that provides leadership and guidance in the establishment of Geographic Information Systems (GIS) throughout the Commonwealth of Pennsylvania.

Why Should YOU Become a Member of PaMAGIC?

No Cost - Currently enrolled students can become a member for free!

Networking - Keep in contact with other PA GIS Professionals!

Training - Access to no-cost training through Workshops, Webinars and Conferences!

Stay Updated - Receive updates and Job Postings through member communications!

GISP Credits - Receive credit towards your GISP by becoming a member!

Resume Builder - Being an active PaMAGIC member can be a plus for future employers!

Most Importantly - *Become involved to help shape the future of Pennsylvania!*

Who Should Join PaMAGIC

Anyone that works with geospatial data in their coursework or career.

To Join
