

PAMAGIC: Board Meeting Minutes 11.01.2013

Attendees:

Mike Bialousz, Nicole Ernst, Peirce Eichelberger, Glenn Mohler, Laura Simonetti, Eric Jespersen, Dave Gilbert, Tom Denton, Mary K. Seville

GIS Day:

Tom will be presenting. Dave, Mike, Nikki, Laura and Eric will also be attending. Booth will be set up. Mike can bring a laptop if we want to show the Mapping Center. Tom will bring membership applications. Mike and Eric will bring handouts for watershed initiative.

NW GIS Conference – follow up:

Tom attended and discussed the poster display – they were thinking of having an online version of competition next year. The PA Geographical Society just had a conference in Pittsburgh. May be another conference we would want to get involved with.

GeoAdvisory

The advisory bill passed in the House. It now goes to the Senate. A briefing session was offered. The date will be potentially Nov 20 or 12th. The director stated – if the bill is tied to a senate bill it would matter. Also having CCAP people support would make a difference. CCAP did send a letter to every state representative showing their support.

Mapping Center

ArcGIS Online set up. Still looking for content to add. PAFPM is possibly looking for having PAMAGIC host some data and maps. CountyPros may have some contact information to add.

PAFPM Conference:

Discussion of filing elevation certificates for land development was made. This would require a licensed Surveyor to submit. This change is in the near future.

Land

Discussion of better legal descriptions for land mapping. Sharing of the legislation items needs to be done at a higher level. Determination of how to coordinate with Land Surveyors needs to be made.

New business/Wrapup

Newsletter - would be good to have the newsletter go back to monthly. We need dedicated writers and then see if Nikki would be able to accept assistance in publishing. Columns could consist of:

- Legislative Corner
- Technology Update

- PAMAGIC Projects
- GIS Trends
- Map of the Month
- Upcoming events

Next meeting: November 15th
