9 this Commonwealth from the Federal Geographic Data Commission
10 or its successor who shall be appointed by the Governor
11 without the advice and consent of the Senate. The designee
12 shall serve a three-year term.

13 (24) Up to five persons who shall be nominated by the
14 council and appointed by the Governor. The nominees shall be
15 appointed without the advice and consent of the Senate and
16 shall serve three-year terms. Members may be nominated from
17 State executive agencies or independent boards, commissions
18 or legislative service agencies not otherwise represented on
19 the council, State row offices, county or local governments,
20 regional counterterrorism task forces, local law enforcement,
21 professional organizations or other interested private
22 citizens and groups.

23 (c) Executive director.--The Management and Operations
24 Committee identified in section 6408 (relating to composition
25 and duties of committees) shall nominate an executive director
26 to be approved by the council. The executive director shall
27 appoint staff to any position created and funded by the council.

28 (d) Vacancies.--Vacancies on the council shall be filled by
29 the appointment of a successor in accordance with the procedures
30 set forth in this chapter.

1 (e) Meetings.--The council shall meet quarterly and at other
2 times at the call of the chair. The Secretary of Transportation
3 shall call the first organizational meeting of the council and
4 preside until a chair is elected.

5 (f) Officers.--The council shall elect a chair and vice
6 chair from among its membership at the first organizational
7 meeting to serve until the first quarterly meeting of the
8 following year. Thereafter, the council shall elect a chair and
9 vice chair from its membership at the first quarterly meeting in
10 each calendar year to serve one-year terms. No person may serve
11 as chair for more than two consecutive terms or for more than a
12 total of four full one-year terms.

13 (g) Quorum and bylaws.--A simple majority of the members
14 appointed on the council shall constitute a quorum. The council
15 shall establish bylaws to govern its proceedings as required for
16 the council to take official action. The bylaws shall provide
17 for the duties of the executive director regarding personnel,
18 accounting, budgeting and other matters necessary to the
19 functioning of the council.

20 (h) Reimbursement for expenses.--Members of the council
21 shall serve without compensation and shall be reimbursed by the
22 council for reasonable expenses actually incurred in connection
23 with official duties of the council in accordance with this
24 chapter and the bylaws of the council.

25 (i) Organization.--The council shall be organized within the
26 Pennsylvania Historical and Museum Commission for
27 organizational, budgetary and administrative purposes.

28 § 6404. General powers of council.

29 (a) Cooperation.--The council shall encourage cooperation
30 and cost-sharing among Federal, State and local government

1 agencies, academic institutions and the private sector to
2 improve the quality, access, cost-effectiveness and utility of
3 Pennsylvania's geospatial information and to promote geospatial
4 information and technology as a strategic resource in this
5 Commonwealth.

6 (b) Forum for policy and technology.--The council shall
7 serve as a forum on geospatial policy and technology issues
8 within this Commonwealth to enhance cooperation and coordination
9 among the governments, associations and organizations
10 represented on the council.

11 (c) Strategic planning.--The council shall engage in
12 strategic planning on geospatial issues and on the coordination
13 and sharing of geospatial data and technology across this
14 Commonwealth.

15 (d) Policy development.--The council shall develop and
16 propose policies concerning the substance, documentation,
17 standards and sharing of geographic data, geospatial technology
18 systems and other related technologies and advise Federal,
19 State, county and local elected officials regarding needed
20 directions, priorities, responsibilities and funding of
21 geospatial information and technology in this Commonwealth.

22 (e) Technical assistance program.--The council shall
23 administer, within the limits of available resources, a
24 technical assistance program for political subdivisions,
25 authorities and regional planning agencies to develop geospatial
26 technology capabilities that are consistent with the council's
27 overall plan.

28 (f) Fundraising.--The council shall seek public and private
29 grants, donations, appropriations and contributions from its
30 members and from foundations and other external entities for the

1 purposes of the council.

2 (g) Final approval.--The council shall have final approval
3 of all policy recommendations proposed by any committee and
4 working group established by the council.

5 § 6405. Discretionary powers.

6 (a) Staff and administrative expenses.--The council may make
7 expenditures for staff and administrative expenses of the
8 council and for other council purposes from funds designated by
9 the council for such purposes.

10 (b) Contracting.--The council may enter into contracts to
11 purchase products and services required for council operations
12 and for the purposes as expressed in the general and
13 discretionary powers of the council.

14 (c) Study of specific topic.--The council may designate one
15 or more additional nonvoting, ex officio members of the council
16 on a temporary, ad hoc basis to assist with the council's study
17 or deliberation of a specific topic.

18 § 6406. Reports.

19 The council shall report at least annually to the Governor,
20 the President pro tempore of the Senate, the Speaker of the
21 House of Representatives and its membership on the status of
22 recommended improvements of geospatial technology in this
23 Commonwealth.

24 § 6407. Creation and general powers of committees.

25 (a) Duty of council.--

26 (1) The council shall oversee and may abolish the
27 standing committees created in subsection (b), provided that
28 the Management and Operations Committee created under
29 subsection (b)(6) may not be abolished by the council.

30 (2) The council may establish, abolish and oversee

1 working groups and additional standing committees as needed.

2 (b) Bylaws.--The following standing committees are hereby
3 created:

4 (1) State Government Committee.

5 (2) Local Government Committee.

6 (3) Federal Interagency Committee.

7 (4) Statewide Mapping Advisory Committee.

8 (5) Statewide Geospatial Technology Advisory Committee.

9 (6) Management and Operations Committee.

10 Each standing committee created under this subsection shall
11 adopt bylaws, subject to the council's approval, to govern its
12 proceedings.

13 § 6408. Composition and duties of committees.

14 (a) State Government Committee.--Membership shall consist of
15 representatives from all interested State government entities.

16 The committee shall annually elect one of its members serving
17 pursuant to section 6403(b)(1), (2), (3), (4), (5), (6), (7),

18 (8), (9), (10) and (11) (relating to Pennsylvania Geospatial

19 Coordinating Council) to serve as chair of the State Government
20 Committee and as its representative on the council.

21 (b) Local Government Committee.--Membership shall consist of
22 representatives from organizations and professional associations

23 that currently serve or represent local government geospatial

24 technology users and other groups. The committee shall annually
25 elect one of its members serving pursuant to section

26 6403(b)(12), (13), (14), (15), (16), (17) and (18) to serve as

27 chair of the Local Government Committee and as its

28 representative on the council.

29 (c) Federal Interagency Committee.--Membership shall consist
30 of representatives from all interested Federal agencies with an

1 office located in this Commonwealth. The appointed Federal
2 representative serving pursuant to section 6403(b)(23) shall
3 serve as chair of the Federal Interagency Committee.

4 (d) Statewide Mapping Advisory Committee.--Membership shall
5 consist of interested members of the council and representatives
6 of other organizations and professional groups with an interest
7 in Statewide mapping issues. The committee shall consolidate
8 Statewide mapping requirements and attempt to gain Statewide
9 support for financing cooperative programs. The committee shall
10 also advise the council on issues, problems and opportunities
11 relating to Federal, State and local government geospatial data
12 and technology programs. The committee shall annually elect one
13 of its members serving pursuant to section 6403(b) to serve as
14 chair of the Statewide Mapping Advisory Committee and as its
15 representative on the council.

16 (e) Statewide Geospatial Technology Advisory Committee.--
17 Membership shall consist of interested members of the council
18 and representatives of other organizations and professional
19 groups with an interest in Statewide issues concerning
20 geospatial technology. The committee shall advise and make
21 recommendations on the Statewide technical infrastructure for
22 geospatial technology and anticipate and respond to geospatial
23 technology technical opportunities and issues affecting State,
24 county and local governments in this Commonwealth. The committee
25 shall annually elect one of its members serving pursuant to
26 section 6403(b) to serve as chair of the Statewide Geospatial
27 Technology Advisory Committee and as its representative on the
28 council.

29 (f) Management and Operations Committee.--The Management and
30 Operations Committee shall consider management and operational

1 matters related to geospatial technology and other matters that
2 are formally requested by the council. The committee membership
3 shall consist of the chair of the council, the executive
4 director, the chair of each of the standing committees of the
5 council and other members of the council appointed by the chair
6 of the council and approved by the council.

7 § 6409. Pennsylvania Mapping and Geospatial Technologies Fund.

8 (a) Establishment.--The Pennsylvania Mapping and Geospatial
9 Technologies Fund is hereby established in the Treasury
10 Department.

11 (b) Source of funds.--The fund shall be comprised of public
12 and private grants, donations, appropriations and contributions
13 from members of the council and from foundations and other
14 external entities.

15 (c) Purposes of fund.--Moneys from the fund shall be used
16 for administrative and personnel costs of the council and its
17 staff and for the purposes as expressed in the general and
18 discretionary powers of the council.

19 (d) Investment.--The State Treasurer shall invest money in
20 the fund not currently needed to meet the obligations of the
21 fund in the same manner as other public money may be invested.
22 Interest that accrues from these investments shall be deposited
23 in the fund.

24 (e) No lapsing of moneys.--Money remaining in the fund at
25 the end of each fiscal year shall remain in the fund and shall
26 not lapse to the General Fund.

27 Section 2. This act shall take effect in 90 days.
